**COMPUTERS**

We have just finished talking about computer/internet safety for all grades K-5. As we approach the end of the grading period we are starting our typing program. If possible, especially for my kindergarten students I'm asking that they practice their letters and typing at home with you. This will help them to feel more confident when we are working on these activities in class. [www.Typing.com](http://www.Typing.com) is a great resource, a free online portal for grades 2-5. For K-1 they should do dance mat typing. Thank you so much for your all your help. It is greatly appreciated.

## **SPANISH**

Hello to all! Just want to let parents know that I am very proud of our Spanish club. The students put their hearts into the care boxes that are going to be shipped to Mexico two other children that have recently lost everything due to the earthquakes that happened mid- September. We also learned how to make pastel de Tres Leches, three milks cake, and got to enjoy some in class! Finally, the kids celebrated our last day of Spanish club by learning about Day of the Dead, which is basically a Memorial Day for loved ones who have passed, celebrated in Mexico on November 1st and 2nd. *Ms. Dominique Bonillo*
